“High levels of pastoral support at the heart of the school community” (Ofsted, April 2024)

Dear Families,

This week we saw Rise and Shine numbers reach 108! Please see the information posters in this week's newsletter for further information.

Our new Pupil Leadership team (PLT) helped lead their first celebration assembly this week and did a fantastic job! One of the roles PLT have is to announce the weekly class winners for the best Punctuality and Attendance. The winning class, or classes, gets to spin the wheel to earn some prizes! It's really important that your child arrives on time and ready to learn. Now our gates are open from 8.20 it really makes it more convenient for families to get their children here on time. After 8.40am Rise and Shine studio doors close and children need to enter through their allocated gates. At 8.55am your child is late – please do try to get them here on time. This week we had two classes with no one late – let's aim for more next week!

We were visited by the Merton Head of Education this week and she was very impressed with our calm learning environment. She commented on something that we have known for ages – our children are well behaved, focused and respectful. 😊 It's been a great start to the new school year.

*We hope to see you at **next Wednesday's Curriculum Evening (5-7pm)** as there are lots of workshops and presentations giving you information on how you can support your child this year to ensure they achieve their very best.*

Have a lovely weekend.

FLU VACCINATION

School Nursing will be in school on Thursday 3rd December to administer the flu vaccination. The vaccination is recommended to help protect children against flu, which can sometimes cause serious complications. Vaccinating your child also helps protect vulnerable family members and friends by reducing the spread of flu.

Letters were sent home this week, or you can use the barcode provided to give your consent. For further details, please speak with Mrs Freeman.

The graphic features a purple background with a white and red swoosh at the top. In the top left, a white silhouette of a person with arms raised is next to the text 'YOUR SCHOOL LOTTERY'. In the top right is the 'Morden PRIMARY SCHOOL' logo with the tagline 'Learn - Achieve - Enjoy'. A central illustration shows a blue and red rocket launching upwards, leaving a white and blue smoke trail. Surrounding the rocket are five circular lottery balls with numbers: a yellow ball with '2', a red ball with '4', a purple ball with '7', a blue ball with '4', and a white ball with '2'. Below the rocket, the text 'WE'VE LAUNCHED A LOTTERY' is written in large, bold, red and purple letters. Underneath this, in smaller red text, is 'Buy your tickets now to help our fundraising'. A bulleted list of four points follows: 'Tickets cost just £1', 'All profits go to our school and our children', 'Local cash prize every week', and 'Chance to win the £25,000 jackpot!'. At the bottom left, white text says 'To start supporting, visit: yourschoollottery.co.uk and search for: Morden Primary'. At the bottom right is a QR code and the 'GambleAware 18+' logo.
